ABOUT US

The (ISC)2 Hawaii Chapter is dedicated to providing members and other cybersecurity enthusiasts with the opportunity to share knowledge, grow professionally, network within the community, raise awareness and advance cybersecurity with our local communities.

By becoming an official Chapter sponsor, your organization joins the Chapter's dedication and mission in promoting cybersecurity awareness, education, and training in our community and engaging with our membership during chapter events and activities.

PROGRAMS

- (ISC)2 Hawaii Chapter Social Mixer to bring Hawaii's cybersecurity community professionals, enthusiasts, and students together
- Hawaii Cybersecurity Awareness Month in partnership with State of Hawaii and Hawaii State Public Library System
 - AFA CyberPatriot CyberCamps
- AFA CyberPatriot competitions mentor and technical support
- Hawaii Youth Cyber Invitational (Middle and High School CTF Competition)
